

Racing Bulls

Racing Bulls S.p.A., competing as **Visa Cash App Racing Bulls F1 Team** (shortened to **Racing Bulls**^[9] or **VCARB**), is an Italian Formula One racing team and constructor that has been competing since the 2024 season. It is one of two Formula One constructors owned by Austrian conglomerate Red Bull GmbH, the other being Red Bull Racing.

Known as Scuderia Toro Rosso from 2006 to 2019 and Scuderia AlphaTauri from 2020 to 2023, the team was rebranded to **RB** for the 2024 season,^[10] and then switched to Racing Bulls in 2025.^{[11][12]}

The current CEO is Peter Bayer, and the team principal is Laurent Mekies. At the start of the 2024 season, the team retained incumbent drivers Daniel Ricciardo^[a] and Yuki Tsunoda from when it was known as AlphaTauri; Ricciardo was dropped after the 2024 Singapore Grand Prix and was replaced with Red Bull junior and reserve driver Liam Lawson.^[b] Lawson was promoted to the main Red Bull team for 2025, with Formula 2 graduate Isack Hadjar taking his place at Racing Bulls. Lawson was subsequently dropped from the Red Bull team after two races and returned to Racing Bulls, with Tsunoda promoted to the senior team.

Origins

The team traces its roots to Minardi, which competed in Formula One from 1985 to 2005, before being bought by Red Bull in 2006 to become the junior team to Red Bull Racing. From 2006 to 2019, it competed as "Toro Rosso" and was known for housing future Red Bull talent, such as future four-time World Champion Sebastian Vettel, former Scuderia Ferrari driver Carlos Sainz Jr., and reigning four-time World Champion Max Verstappen. In addition, Toro Rosso had previously employed 2023–24 driver Daniel Ricciardo as part of its line-up in 2012 and 2013.^{[15][16]}

Racing Bulls-Honda RBPT

Full name	Visa Cash App Racing Bulls F1 Team ^[1]
Base	Faenza, Italy
Team principal(s)	Peter Bayer ^[2] (Chief Executive Officer) <u>Laurent Mekies</u> ^[3] (Team Principal)
Chief Technical Officer	<u>Tim Goss</u> ^[4]

First entry	2024 <u>Bahrain Grand Prix</u>
Last entry	2025 <u>British Grand Prix</u>
Races entered	36 (35 starts)
Engines	<u>Honda RBPT</u>
Race victories	0
Podiums	0
Points	82
Pole positions	0
Fastest laps	1

For the 2020 Formula One World Championship, Toro Rosso was rebranded to "AlphaTauri" in order to promote Red Bull's AlphaTauri fashion brand.^[17] According to Franz Tost and Helmut Marko, the rebrand to Scuderia AlphaTauri also acknowledged that it had transitioned from Red Bull Racing's junior team to its sister team.^[18]

2024 position	8th (46 pts)
----------------------	--------------

The team was rebranded to Visa Cash App RB F1 Team for the 2024 season,^{[19][20]} shortened to the acronymised "VCARB".^{[21][22]} The new name was widely criticised by fans and the media,^{[23][24][25][26]} with Edd Straw of *The Race* calling it "the worst team name in Formula 1 history" and "an embarrassment to Red Bull and Formula 1 as a whole", arguing that the name "RB" lacks "personality, identity and ambition", could easily be confused with Red Bull Racing, and exists solely to force the sponsors to be mentioned more often.^[27] For the 2025 season, the team was entered as "Racing Bulls", discontinuing the usage of the "RB" initialism.^{[9][28]}

Racing history

Works Honda RBPT engines (2024–2025)

RB entered the 2024 Formula One World Championship with drivers Daniel Ricciardo and Yuki Tsunoda.^{[21][29]} The team continued using Honda RBPT power units, having used Honda-designed power units since the 2018 season when it was named Scuderia Toro Rosso.^{[30][31]}

The RB VCARB 01 of Ricciardo at the 2024 Chinese Grand Prix

In the 2024 Chinese Grand Prix, the team suffered a double retirement, caused by Haas's Kevin Magnussen crashing into Yuki Tsunoda and Daniel Ricciardo's rear being struck by Lance Stroll. Both drivers suffered major damage to their diffusers, with Ricciardo in particular being forced to retire a few laps later. Tsunoda suffered terminal rear-right damage and retired on the spot.^{[32][33]} Ahead of the United States Grand Prix, Ricciardo would leave the team and be replaced by reserve driver Liam Lawson for the remainder of the season.^[34] Lawson would then be promoted to Oracle Red Bull Racing to replace the outgoing Sergio Pérez with his place being taken by F2 graduate and Red Bull Junior driver, Isack Hadjar.^[35] However, Lawson returned to Racing Bulls after two Grands Prix with Red Bull, with Tsunoda being promoted up to the main team in his place.^[36]

Ford-badged RBPT engines (2026 onwards)

With its sister team Red Bull Racing switching to Red Bull Ford Powertrains power units, Racing Bulls will also follow suit and switch to Red Bull Ford Powertrains from 2026 until at least 2030.^[37]

† Did not finish, but was classified as he had completed more than 90% of the race distance.

* Season still in progress.

Notes

- a. Ricciardo had already replaced Nyck de Vries at AlphaTauri during the 2023 season.^[13]
- b. Lawson had already deputised for an injured Ricciardo during the 2023 season.^[14]
